RE: Complaint of BellSouth – Enforcement of Interconnection  
Agreement between BellSouth Telecommunications, Inc. and  
NuVox Communications, Inc.  
**Docket No. 2005-82-C, Our File No. 528-10304**

Dear Mr. Terreni:

The following are some revised pre-filing dates submitted for your consideration by NuVox, (and after consultation with and without objection from BellSouth and the ORS), in the above-referenced docket:

|              |   |
|--------------|---|
| October 12th | NuVox and the ORS file their Direct Testimony |
| October 19th | BellSouth files its Rebuttal Testimony        |
| November 2nd | NuVox files its Surrebuttal Testimony         |

The format, which admittedly differs from the usual Commission practice, is designed to accommodate one or more witness depositions. (Any subpoenas required for same and/or for appearance at the hearing will be requested under separate cover).

Based upon these proposed filing deadlines, the parties request that the hearing in this Docket be continued from October 5<sup>th</sup> to sometime during the week of November 14th. Finally, along with this proposed schedule NuVox would file a response to BellSouth's Motion for Summary Disposition on or before November 2<sup>nd</sup>.

With kind regards, I am

Yours truly,

John J. Pringle, Jr.
